I would like to express my appreciation of the efforts put in by Andrew Shaw in helping me to secure the home I was looking for in South Fremantle.

I met Andrew at a 'House Open' in the street in which I eventually purchased my home. He knew what I was looking for and when something did come up in the same street, he was quick to let me know. Within the week, I had a new home!

I was impressed by Andrew's ability to listen, his openness and his down to earth manner. He was always easy to contact, he was prompt at returning phone calls and he was excellent at keeping me up to date with developments.

If I was ever looking to sell, I would have no qualms about enlisting Andrew's support as my Agent.
