

I had engaged Andrew Shaw to sell a property for me and found him to be not only very efficient but also very understanding and a gentleman under the conditions that the property was sold.

Andrew kept me updated at all times as to what was happening and answered any questions or queries that I had and acted promptly in sorting out any problems that came to hand.

I would certainly recommend Andrew to any one who was selling a property and wanting to have an agent that at all times was working for his client.

Thankyou very much Andrew for what you have done for myself and my family under what was a very difficult time for us.

Thankyou Andrew
