

TESTIMONIAL FOR ANDREW SHAW

I recently used Andrew's services to sell my property and also to assist in the purchase of another.

Throughout the process of displaying the property for sale at auction and the purchase of the new property, Andrew acted with thorough professionalism and always displayed humility and a good sense of humour.

The property that was sold achieved a record price and not least due to the efforts of Andres and the Team at Port City Real Estate.

It was a pleasure to find an agent like Andrew who provides the service expected from anyone in the industry.

Andrew is an asset to his Company and I would not hesitate to use him and also the services of Port City Real Estate, Fremantle, for any property dealings.
